2025 the 5th International Conference on Artificial Intelligence and Education

ICAIE 2025, 2025 the 5th International Conference on Artificial Intelligence and Education, will be held in Suzhou, China during May 14-16, 2025. The theme of this year is "Embracing a New Era of Education Enabled by AI: Personalization, Gamification, and Interdisciplinary Integration". ICAIE will keep working on itself as an event whose aim is to provide this chance and platform for the researchers from academia, industry, and government institutions to exchange and present the novel research on artificial intelligence in education. ICAIE now openly calls for submissions. We warmly welcome researchers and students to actively contribute their papers and join this academic grand conference!
